Media Trip

Trip to McArthurGlen Outlets in Italy & Austria 2017

Objective:

To highlight a special campaign targeting Arab travelers

Execution:

A special name was given to the campaign: "Hayakom" which means warm greetings in Arabic.

A group of 7 journalists representing top media outlets in GCC "TV, print & online" were invited for a 5 days trip to discover 2 different McArthurGlen outlets in 2 different countries.

A press release was sent to GCC media after the trip.

Coverage:

Coverage from July - Sep17 = 37 print & online hits including 2 TV reports on MBC.

PR Features

After receiving a brief from the client; we do our own research to create a feature that is matches with the local market's need.

The draft is sent for the client's approval before sharing with the media for publishing.

Usually a feature consists of 1500 – 2000 words depending on the topic, and it gets covered on a full page in one of the main dailies or on few pages in the weeklies or monthlies in GCC.

In 2017 only, bridge media has managed to publish over 30 exclusive features across the GCC for different clients.

We speak and think the language of your target group: Arabic
